ISSUE 3

JUNE 2018

Dear Friends of Hale Place

Thank you to all the staff who worked hard and tirelessly to ensure a colourful and joyous Royal Wedding party was enjoyed by everyone.

To give to others, without want or reward, is the most gratifying human trait. Mandy, Carol, Jess Jodie and Rita threw themselves into their job with one objective; to create a happy, party atmosphere so everyone could feel part of this historical British event.

You excelled! Pictures are worth a thousand words:

## Garden Improvements

The patio is finally completed and looking fabulous.

Safety was a prime factor when designing the area. The new patio door step will aid staff/residents entering/exiting the lounge, the Italian porcelain tiles are the best non-slip tiles I have ever come across, with excellent grip in the rain. The water features light at night and the new spot lights light up the walk way. The area is also level, with no trip hazards.

The boiler house and neighbouring shed have new doors with key pad locks for added security and safety and a new fibre glass flat roof.

A big thank you to Barney; the outcome always defines the quality of the project manager and this is outstanding.

## Active for Life

Aggie has been a night carer, with Hale Place, for over 12 years and continues to be our shining light.

Her kindness, gentle manner and thoughtfulness towards our residents is a wonderful example for all aspiring carers to follow.

Aggie enjoys regular exercise around the village with our residents and evenings in with her are always fun and residents can wake up to that infectious smile. Thank you for being you x
