JANUARY 2020

FLOWER ARRANGING CLUB

Just in case you are wondering why the home is always blooming? it is all thanks to our residents who participate in the weekly flower arranging club.

STAFF CHANGES

We are excited to welcome Judith back to join the team after 18 months off to renovate her new house.

Jane Wiles is a local lady who recently joined our weekend day care team and has over 6 years experience working in the care sector. We are looking forward to working with Jane for many years to come. Welcome to Hale Place.

WHAT'S BEEN HAPPENING?

Cameo lunch

Fish and chips at The Salvation Army, culminated in eating, chatting and laughing with friends .

Karaoke

We love nothing more than getting the Karaoke machine out and singing the afternoon away! We rocked to Elvis, Frank Sinatra, ABBA.....the list goes on. Music undoubtedly improves our residents' happiness and wellbeing; it is so uplifting for everyone.

Our Amazing Animal World

Our Amazing Animal World have been visiting us a little over a year now and we couldn't imagine not having them! The joy they bring, with their beautiful animals, is enjoyed by all, lifting peoples spirits and bringing comfort.

Observing people shy away from various animals and then enthusiastically playing with them, is gratifying for all to see. Patience, trust and re-affirming is all that is needed.

Creative MoJo

These sessions are brilliant at getting our creative and artistic

minds working. Participation reduces boredom, stimulates the senses and provides people with tangible achievement.

Cinema

We enjoyed yet another wonderful trip to the Odeon Cinema, to watch Official Secrets.

Traditional Pub Lunch

You can't beat a traditional pub lunch; we love going to the local pub for food and a few drinks. A large group of residents and staff had a wonderful time at The Hop Farm.

BEST WISHES and HAPPY NEW YEAR to all FRIENDS OF HALE PLACE
