

HALE PLACE NEWS

ISSUE 2

FEBRUARY 2021

Dear Friends of Hale Place

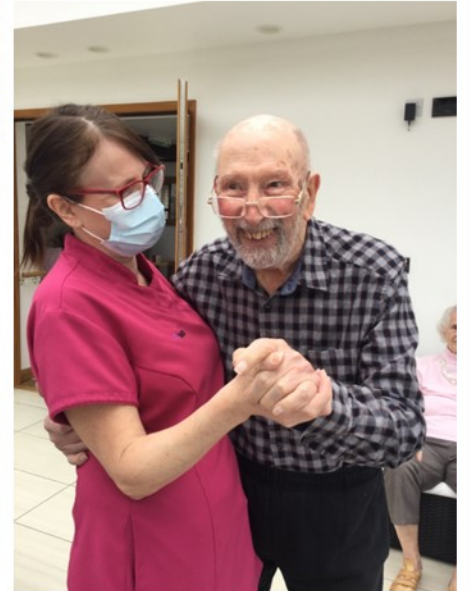

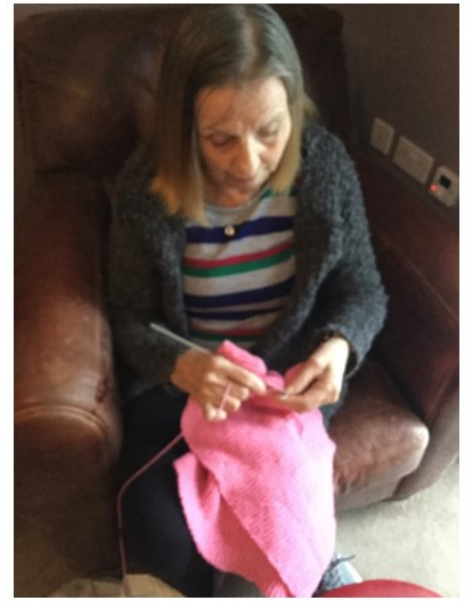

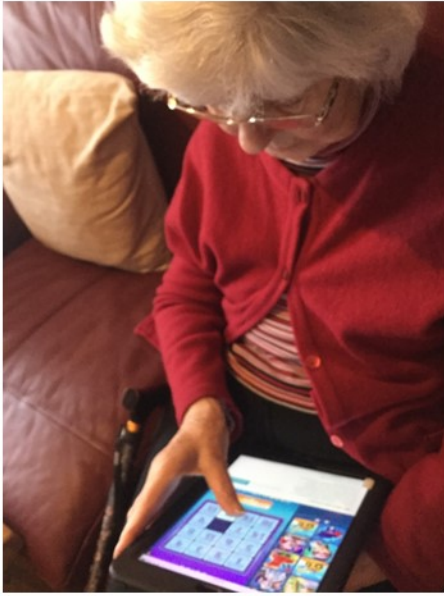

Over the past twelve months, all service users have been entertained throughout, by our hard working team. All residents have opportunity to participate in the daily activities, religious readings and songs, walking in and out of the home, car rides in the country. The contracted entertainers will soon be busy around the home again and we will be going to the cinema, pubs and outings with renewed vigour after all this lockdown!
