

HALE PLACE NEWS

ISSUE 04/21

APRIL 2021

Dear Friends of Hale Place

We are planning for 'normality' and events are beginning to be pencilled into our diaries for service users, employees and relatives. What is life if it is not for living to the fullest extent? Places for all family and employee events are, obviously, limited in number so please email me early to reserve a place, to avoid disappoint. **To reserve your place on any of the following events, please email: kevin@haleplace.co.uk**

DATES FOR YOUR DIARY

5th June 2021 - Garden BBQ (Weather Permitting)

Service users, their relatives and staff are welcome to enjoy an afternoon BBQ in the gardens of Hale Place. All are welcome, including children, but we will ask all adult visitors to undertake a LFT beforehand to safeguard everyone. The chefs for the day will be Dudley and myself; there will be vegetarian options and plenty of refreshments, including wine.

27th June 2021 - Directors Dinner

Ashdown Park Hotel

These private dinners are designed to bring together Hale Place employees, relatives of service users and the Board of Directors.

We believe there's a lot we can all gain by being better connected with each other and that quality care is attained through the sharing of thoughts and feelings in an honest, open and respectful way. To this end, we are delighted to invite people with shared interests and challenges, to enjoy an off-the-record chat in a beautiful setting, before settling down to a delicious lunch. Timings are yet to be confirmed with the hotel but arrival will be approximately 11:00am with lunch around 1:00pm.

15th June 2022 - Royal Ascot

Care workers are the bedrock of quality care provision and Hale Place has always valued people above everything else. Our employee events is just one way we like to give back to outstanding individuals who put the care and well-being of others above themselves.

A double Gazebo has been reserved for our employees, close to the winning post, for the glorious English occasion. The Queens procession will pass right in front of our position and the Royal Box is directly opposite.

A coach will transfer our party of 30 from East Peckham, leaving early and returning late, following a great day racing and festivities.

An event we have attended many times and not to be missed.
