JULY 2022

Dear Friends of Hale Place,

As always we have lots of activities going on throughout July, along with a new addition to our garden spaces.

Freshly picked tomatoes and courgette from our very own vegetable patch, to create a new dish for our summer menu, baked courgette, bacon and tomato frittata. It's a big hit!

A new Gazebo which we like to call the (Witch's Hut) has been installed in the garden, another area for lunch's, visitation, and activities. The Witch's Hut has curtains that go all around, so it can even be used on wet and rainy days.

Another trip to the Spa Valley Railway in Tunbridge Wells enjoyed by all..
